

# Craft Instructions for L4 Cardboard Pieces

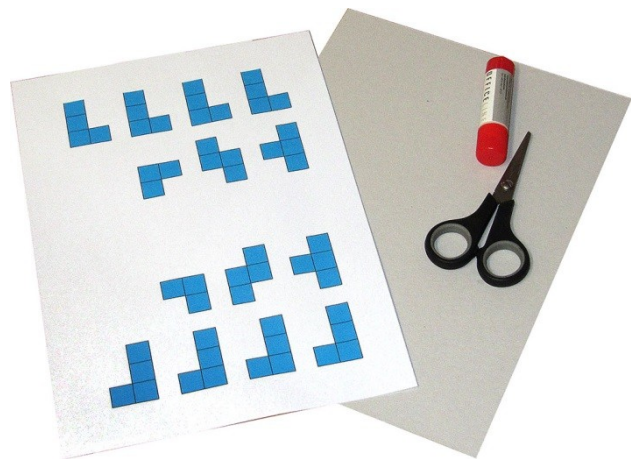

---

## *Preliminary*

---

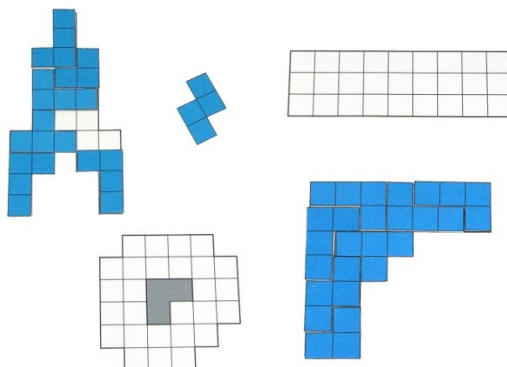

be needed:

1. A pair of scissors
2. A glue stick
3. A piece of cardboard
4. Paper templates for the L4 pieces

To 4: There are paper templates available for download in different colors on the download page of [www.pentoma.de/en/](http://www.pentoma.de/en/). L4 pieces are used on both sides when playing. Each template therefore consists of 2 sets of L4 pieces, one for the front and one for the back.

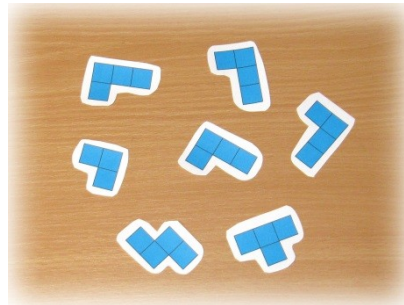

You can also download this craft manual and many figures that can be laid out with the handcrafted L4 pieces from [www.pentoma.de/en/](http://www.pentoma.de/en/) .

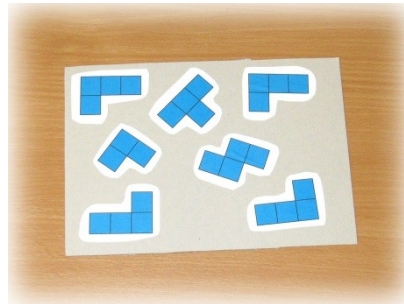

## Procedure

---

1. Cut out one set of printed paper L4 pieces. A 1 to 2 centimetre wide margin can be left standing.

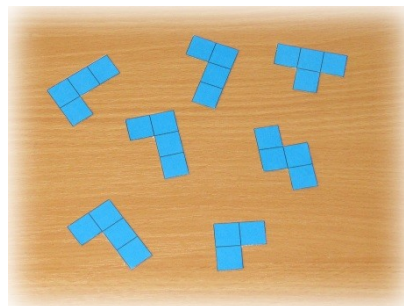

2. The 12 paper pieces are glued onto the cardboard.

3. The glued L4 pieces are cut out, again with margin.

4. Next, the L4 pieces are cut out exactly.

5. Finally, the paper pieces of the 2nd template sheet are cut out exactly and glued to the back of the cardboard L4 pieces.
